

911 CAN BE DIALED FROM ANY LANDLINE, CELL PHONE, VOIP OR TTY.

When you dial 911 from:

- ◆ A landline - You are automatically connected to the Windsor Police Service. They are provided with enhanced 911 information that includes the address you are calling from. Examples are payphones and house phones.
- ◆ A cell phone - You are connected to the PSAP closest to the tower your phone is using. Wireless carriers provide the latitude and longitude of cell phone callers. This information has varying levels of accuracy. Whether using a landline or cell phone, you will be asked to provide your location to ensure an accurate response.
- ◆ A VOIP phone - If you dial 911 from a Voice Over Internet Phone, you will be connected to a PSAP (not in Windsor) then transferred back to your local police service. Your location information is not provided. Also note, that VOIP service may not function during a power outage or when the internet connection fails.

DO NOT CALL 911 FOR:

- ◇ General inquiries
- ◇ Noise, animal or parking complaints
- ◇ Hydro outages or water problems
- ◇ To obtain government information
- ◇ Directory assistance or the non-emergency police number
- ◇ Information on school closings, road conditions or driving directions
