

WINDSOR POLICE SERVICE

announces openings for the contract position of
EMERGENCY 911 COMMUNICATOR

Compensation: Approximately \$39.00 per hour

POSITION SUMMARY:

The Emergency 911 Communicator is a shift work position providing 24-hour coverage. The Communicator position consists of two roles; call-taking and dispatching. A call-taker is responsible for answering 911 and non-emergency phone calls and re-directing 911 emergency calls as required. The dispatch role is responsible for receiving and dispatching emergency and non-emergency calls for service to police field units and monitoring numerous radio channels.

RESPONSIBILITIES:

- Transmit information from the public to police.
- Monitor up to 33 radio channels and up to 6 computer screens for the purposes of receiving, prioritizing, coordinating, and relaying information to police units.
- Answer all emergency and non-emergency calls, using developed communication skills to coordinate sensitive situations.
- Receive information from the public and transmit information to be dispatched.
- Transfer and reroute calls as necessary.

QUALIFICATIONS:

- Possess a Grade 12 graduation diploma or equivalent, as recognized by the Ontario Ministry of Education, or completed post-secondary education at an accredited college or university as an adult student.
- Minimum of 6 months' work experience to develop skills required to work in a team environment.
- Demonstrated interpersonal skills and ability to be assertive and respectful when dealing with the public.
- Ability to react quickly and calmly during intense and stressful situations.
- Must have a strong sense of urgency.
- Must be able to type minimum of Net 40 WPM and pass CitiCall Testing.
- Previous experience working in a telecommunications or call centre environment would be an asset.
- Ability to communicate in a second language would be considered an asset.
- Proficiency in the 10-Code and phonetic alphabet would be considered an asset.
- APCO Public Safety Telecommunicator Course, Canada and NENA Telecommunicator Core Competencies Course would be considered an asset.

Candidates successful in testing and interviews will also be required to successfully complete a thorough background investigation and psychological assessment.

As 911 Communicator duties are a 24-hour operation, this is a shift work position requiring successful applicants to work all shifts of days, afternoons, and midnights.
